Informed Consent Form - Trip&Share

[Usability and HCI test]

Tania Conte has invited you to participate in a usability research study.

DESCRIPTION: The research study, you have been invited to participate, is about an online application that lets travellers create and keep in one place their travel journals. The purpose of this research is to test the usability of the application in the process of registration and journal management (journal creation, post add and remove), and the usefulness of it. You will be asked to carry out test scenarios, during which photographs may be taken. These photographs may be upload to the www.coursera.org online learning application, but your face and any identifying material will be blurred to protect your privacy.

ESTIMATED TEST DURATION: Your active involvement in research will last approximately 40 minutes.

COMPENSATION: For participating in this study you will receive and Amazon.com eGift card , and after this experiment I may enrol you for paid user testing, in the future, about real products.
If you have read this form and have decided to participate in this project, please understand your participation is voluntary and you have the right to withdraw your consent to discontinue participation at any time without penalty or loss of benefits to which you are otherwise entitled. The alternative is not to participate. You have the right to refuse to answer particular questions. Your individual privacy will be maintained in all published and written data resulting from the study. If your consent is provided, below, results from your specific test will be referenced by your first name or provided pseudonym. This will be used to highlight specific, interesting insights gained from your participation.

CONTACT INFORMATION: If you need to change the appointment details about day or time, if you have any questions or concerns, please contact Tania Conte at tania.conte@gmail.com or on skype:tania.p2p or on mobile +39 **********
